Forecast For Northwest England
Issued by Met Office Exeter
at 0400 on Thursday 26 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells and dry conditions continue.

Today:
A dry day, with majority of the cloud clearing by midday, leaving plenty of sunny spells during the afternoon. Feeling a little cooler than previous days. Maximum temperature 22 deg C (72 deg F).

Tonight:
Some patchy cloud appearing into the evening, with plenty of clear spells and remaining dry. A cool night for most, especially rural locations. Minimum temperature 6 deg C (43 deg F).

Friday:
Remaining dry, with plenty of sunshine and low cloud possible in coastal locations. Feeling warm in the sunshine with light winds. Maximum temperature 21 deg C (70 deg F).

Outlook for Saturday to Monday:
Remaining dry and fine with sunny spells over the weekend. Feeling warm by day, but cool overnight. Monday is cloudier with risk of drizzle for some, feeling rather cool.
